

About the contract with European Union funding project implementation

JSC „Rīgas elektromašīnbūves rūpnīca” on January 29, 2018 signed an agreement with Central Finance and Contracting Agency (CFCA) about project “Complex solutions for increasing of energy efficiency in JSC Rīgas Elektromašīnbūves Rūpnīca” implementation, funding and supervision.

The goal of the project is to promote the efficient use of energy resources and to reduce energy consumption in JSC RER.

Within the project, 11 production equipment / equipment sets will be purchased, set-up and put into operation. 5 production buildings will be renovated.

Project will be implemented within 16 months, from February 1, 2018, till May 31, 2019.
